What is Gift Aid?

Gift Aid is a simple way to increase the value of your gift to Farleigh Hospice, at no extra cost to you. It is a tax relief scheme that allows charities to reclaim tax on a donation made by a UK taxpayer, which means your donations will be worth 25% more to us. If you Gift Aid your donations we can claim back from the government 25p for every £1 you donate.

When completing your sponsorship form, there are some guidelines which need to be followed to ensure that we can process the forms to maximise your donations.

- The rules of Gift Aid state that the declaration details and ticked box, must be made (written) by the individual who is making the donation (the sponsor).
- There needs to be a full name (e.g. Mr Joe Bloggs), you cannot just use initials.
- The address must be complete, including full postcode and house number/name.
- If these details are not properly completed, then we will be unable to claim the Gift Aid on your sponsorship form.

What we need to claim Gift Aid:

- A fully completed declaration form including your full name and full home address. The rules around gift aid are strict, so it's really important that you fill in every section of the form properly.
- A donation made from a personal bank or building society account. We can't claim Gift Aid on donations from company accounts. The donation must be your own money and not the proceeds of a collection.

- For you to have paid income or capital gains tax (in the UK) for each tax year (6 April to 5th April) at least equal to the tax that all the charities or Community Amateur Sports Clubs that you donate to will reclaim on your gifts for that tax year. Other taxes such as VAT and Council Tax do not qualify.
- Using the declaration form, we can claim Gift Aid on all your donations from the last four years and all future donations.
- Once you have become a Gift Aid donor, please let us know if you stop paying tax or if you change your name/address so that we can update our records.

Gift Aid should not be claimed when:

- Making a donation in return for tickets (raffles, events and auctions) or goods and services (including 'experience' days). This is because they are not 'freewill' gifts - you are getting something in return for your donation.
- Making a donation on behalf of someone else or a group of people. For example, if a friend gives you £10 which you donate to your Fundraising Page using your own card and details. Even if your friend is a UK taxpayer, the donation is not eligible because HMRC needs to know the details of the person actually contributing the funds.
- Making a donation on behalf of a company. You can only make Gift Aid declarations on your own taxpayer status when spending your own money. However, a company can claim tax relief on the donation when donating directly to the charity.
- Making a donation to a family member who's taking part in an event and their charity is contributing to the cost.
